

The Power of Harmony in 2026!

Join us on many musical journeys around Europe — from Parisian theatres and Bach's Germany to Vivaldi's Italy, Boccherini's Spain and Handel's London — celebrating St. Cecilia, patron saint of music. Acclaimed Baroque specialists perform for our gala musical events in intimate local churches and beautiful garden settings. As a **nonprofit organization** led by a volunteer board with limited part-time staff, we can assure you that advertisements in the Festival program provide essential support for the cultural life of our community.

Let us carry your message to a highly educated and affluent Orange County audience. We offer full-color advertising at **no increase from 2019** at our **Early Bird** rates, and at just a **10% increase on orders placed on or after March 1, 2026**. Additional tax-deductible donations in any amount are always gratefully received. Visit bmf-cdm.org/support-us to include a donation with your order.
